## Nanovex; from University Research to cutting-edge cosmetics

**Tuesday, 21<sup>st</sup> May**  
**12.00 p.m.**

CIC biomaGUNE - Seminar Room

The talk aims to give an overview of Nanovex, from its origins as a spin-off of the University of Oviedo to its current position as a company specialising in the production of nanomaterials designed as raw materials for the cosmetics industry. It will also provide an overview of Nanovex's current lines of research, with the aim of seeking possible collaborations or synergies with researchers belonging to the CICbiomaGUNE.
